INTEGRITY

We are transparent in our actions & decisions & we maintain a culture of accountability, corporate compliance, & social responsibility.

SUSTAINABILITY

We strive to be an environmentally conscious company that is responsible and respectful of the planet.

You Say... We Do... You ask... We Deliver...

Board OF Directors

Mr. Mahendar Puri is a seasoned business leader with a wealth of experience in the logistics industry. He has a deep understanding of the challenges and opportunities facing the industry, and has a proven track record of success in growing and scaling logistics businesses. He has guided the team ably to establish cornerstones for ethical and value-creating propositions for our customers. Throughout his career, he has demonstrated a keen ability to identify and capitalize on market trends, and has been instrumental in developing and implementing strategic initiatives that drive growth and profitability. He remains committed to leveraging cutting-edge technologies and trends in the industry to drive innovation, improve efficiency, and provide the best possible service to our customers.

Mr. Mahendar Puri

Mr. Mahendar Puri is a qualified Chartered Accountant and has been in the industry for the last three decades. After working in various multinational companies, he founded MSA Global and took it to new heights of success. MSA has recently celebrated its 10th anniversary under his able guidance and leadership.

Devyani Puri Ahuja is responsible for working towards the Marketing, Branding & Business Development of MSA Global Logistics Pvt. Ltd. Devyani holds a Post Graduation in Marketing and has worked with Companies such as Desert Group, Dubai & Smollan India (a Sister concern of Hindustan Unilever). She has been associated with the Logistics Industry since 2017 and has been instrumental in setting up Chennai as a location for MSA.

Ms. Devyani Puri Ahuja

She understands that the only way a brand can succeed is by truly connecting with the people. Devyani works towards the improvement of all Brand and Management communications within & outside the Organisation. She is actively a part of important Projects in close coordination with the management.

Mr. Abhishek Poddar has around two decades of rich and valuable experience in different Shipping and Logistic Services, including finance, legal, operation, IT System development, Project and Business development. He holds the professional qualification of Chartered Accountant from the Institute of Chartered Accountants of India. Before becoming part of the MSA family, he worked with big logistic companies and has been instrumental in setting up various projects across India. To be successful, one needs to share the company's values, humor, dedication, and involvement.

Mr. Abhishek Poddar

The leadership of Mr. Poddar spreads enthusiasm, well-being, and motivation among MSA's employees. He has played a pivotal role in setting up CFS, warehouse, and empty container depots in various locations and has been involved in developing various projects in the company.
